*The gifts [God] gave were that
some would be apostles,
some prophets, some evangelists,
some pastors and teachers,
to equip the saints for
the work of ministry,
for building up the body of Christ,
until all of us come
to the unity of faith and
of the knowledge of the Son of God,
to maturity, to the measure of
the full stature of Christ.*

Ephesians 4:11-13 NRSV

2007-2008

The **Connecticut Association of United Church Educators**, or CAUCE, is a diverse group of Christian Educators that recognizes Christian education as an essential ministry to everyone in the United Church of Christ. CAUCE offers a meeting place for all interested people in the state of Connecticut to come together for support, training, networking, and advocacy.

The **Connecticut Association of United Church Educators** is a link to educational and professional resources. CAUCE sponsors training events for teachers, youth leaders, educators, and more. Members of CAUCE receive special opportunities for local, regional, and national workshops, professional training, and programs. CAUCE provides current salary guidelines and helps churches assess their Christian education needs. Support and information for those seeking certification or commissioning through the United Church of Christ is available. Each Association in the Connecticut Conference is represented on the CAUCE coordinating committee by a Christian Educator in a local church who keeps in contact with Christian Educators in their association. CAUCE membership provides credibility and validation to all involved in Christian education, volunteer or salaried. CAUCE advocates for Christian education in our churches on a state and local level.

Any member of the United Church of Christ is welcome to join. CAUCE members include paid and volunteer Christian Educators, clergy, youth leaders, church school teachers and superintendents, Christian Education committee members, and all who are dedicated to Christian education.

For more information and answers to questions, or to find out the name of your Association's representative, contact one of the members of the CAUCE Coordinating Committee listed in this brochure.

All active Christian Educators and Youth Workers are members of CAUCE.

As a free-will donation, we suggest a contribution of \$15 per year to cover programs and scholarships.
