Donations welcome from alumni but not required

**A**ction Weekends are your chance to give something back to Silver Lake. There is a long history of people coming to the lake the last weekend in April to help clean the property and prepare for the summer ahead. It is a great chance to see friends that you met here in summers past and to meet new friends too. Through raking the grounds, opening up cabins, filling wood bins, and a number of other outdoor work projects you are sure to have a great time. So put on your work gloves and come join us in the beautiful foothills of the Berkshires this spring.

**What to pack: work boots and gloves, sleeping bag and pillow, toiletries, warm clothes (extra is always good), and your health form from the summer.**

**To Register:** Go to the Silver Lake web site at [silverlake.ct.org](http://silverlake.ct.org). Find the Quick Links section under the Silver Lake logo and click on Online Registration. This will bring you to the Register Online page. If you have never registered with us before please click the New User button.

**Health Forms:** All conferees must bring a current Health Form with them; health forms are valid for three years from the physician's signature date. If your child is on medication please bring a Physicians Order Form in addition to the Health Form. State law requires that all prescription medication be properly labeled in its original container with only the amount of medication needed for the weekend. **DO NOT** mail the Health Form or Physicians Order form, please bring them with you on April 27<sup>th</sup>. Blank Health and Physicians Order forms are available online at [silverlakect.org](http://silverlakect.org).

**Silver Lake Conference Center**
