RESOLUTION: DEFINING THE MISSION OF THE CHURCH

WHEREAS the church's mission is to spread the Good News by word and deed, and

WHEREAS many churches do not yet have a group or committee of lay people whose sole responsibility it is to define and promote the local and wider mission of the church,

THEREFORE BE IT RESOLVED that the Connecticut Conference urges local churches to establish such groups to concentrate on just what is the mission of their church in their particular time and place and to set about doing it.
