

Come to the Pre-Meeting Orientation

For our third year, special Pre-Meeting Orientation Sessions have been planned. The sessions are for first time delegates or for return delegates who want to understand the Annual Meeting process better.

During these sessions our Conference Moderator will review the agenda with you, discuss issues coming before this year's meeting, and help you understand how to make a motion or write an amendment.

While there is an orientation session in each region, anyone from any region can attend the session that best fits his or her schedule.
