

SHARON-TORRINGTON AREA LODGING

Connecticut Conference UCC
Spring Annual Meeting, May 12, 2007

See the FAQ Answers Sheet for two other lodging options. If you would like to stay overnight in the Sharon-Torrington area on either Friday, May 11, or Saturday, May 12, this list of places to lodge may help you. List is arranged by distance from Silver Lake. All the information below was gathered online and we cannot verify its accuracy. We have not contacted or made arrangements with any of these inns, motels, or bed & breakfasts. May is considered peak season; the many private schools in this area may have events about this time, so availability may be very limited and prices high. This list is for your convenience only. **You are responsible for making and paying for your own reservations.**
