

Can you help us finish this service project?

Many people contributed items for Teacher Appreciation Bags that were assembled for Hartford public school teachers as one of the General Synod Service Projects. BUT... we ran out of supplies, and we have more bags to fill.

Maybe you're looking for a mission project as part of your summer church school program or Vacation Bible School. Or maybe you would be willing to just put out the word.

We need:

Multi-Colored File Folders

Post-It notes (3" x 3"; 100 count)

Vinyl Coated Paper Clips, Jumbo Size, 150 count

Hand Sanitizer (4 ounces)

Post-It Flags (.47" x 1.7"; 20-50 count)

8" Shears

Crayons (64 count boxes)

Quality Pens

Children's World Atlases

College Dictionaries
