

Worship, Learning, and Serving for Vital Congregations

The United Church of Christ is pleased to announce ***Faith Practices***, an innovative and original whole church resource.

Simply, Faith practices are the ways by which we incarnate and incorporate worship, learning and serving into our lives to become disciples of Jesus Christ.

Faith Practices are:

- based in UCC history and identity
- useable with new church participants as well as long time members
- multi-age and intergenerational; reaching young children to adults
- intended for use in all settings of the church
- workshop rotation ready
- filled with multiple learning and teaching styles
- on-line—you print only what you need
