

The Cookie Legend

Providing cookies at the UCC General Synod has become a tradition in the state hosting Synod. It makes those coming to Synod feel at home, and what better way to do this than to bake—in this case, *cookies!* The Connecticut Women of the United Church of Christ (CTWUCC) are coordinating this extravagant, hospitable welcome to Synod delegates and their guests in Hartford, June 22-26, 2007.

Your church has received a flyer with a tear off portion for you to fill out and send your cookie pledge back to the Conference office. We will then contact you.

For questions or information contact Rev. Melanie Enfield (860) 667-1779 or Margie Kreitler (860) 560-1097.
