

1 **A RESOLUTION OF AFFIRMATION REGARDING CITIZENSHIP OF CERTAIN**
2 **FOREIGN-BORN CHILDREN ADOPTED BY AMERICAN CITIZENS**

3
4 Submitted by Church Council of Rocky Hill Congregational Church, Rocky Hill

5 **WHEREAS**, the Bible states, “There is neither Jew nor Greek, there is neither bond nor free,
6 there is neither male nor female: for you are all one in Christ Jesus.” Gal. 3:28; and

7
8 **WHEREAS**, the 2019 General Synod of the United Church of Christ supports the efforts of
9 organizations which advocate for US citizenships to be issued to all adoptees, without
10 loop holes, who are adopted by US citizens and raised in this country; and

11
12 **WHEREAS**, many thousands of children were brought to the US to be adopted who never
13 received their US citizenship because of the failure of adoptive parents, adoption
14 agencies or adoptive attorneys to take necessary steps; and

15
16 **WHEREAS**, these adoptees, both children and adults, because of their lack of American
17 citizenship, encounter barriers to living successful adult lives in the US -barriers such as
18 the ability to remain in this country, to vote, to travel freely, to inherit property, to be
19 employed, to receive worker’s compensation or disability benefits if injured in on job,
20 and to obtain a passport or driver’s license; and

21
22 **WHEREAS**, some, on becoming adults, have been deported to their native countries even
23 though Americans brought them, as children, to this country to be adopted; and

24
25 **WHEREAS**, the federal Child Citizen Act of 2000 provides a partial remedy to this injustice by
26 granting automatic United States citizenship to some, but not all, foreign-born children
27 adopted by United States citizens; and

28
29 **WHEREAS**, federal law does not cover all individuals adopted by US citizens, specifically it
30 does not cover US adoptees:

- 31 • who were older than 18 years old when the Child Citizen Act went into effect.
- 32 • whose adoptions were not completed in their country of birth, but who were
33 issued visas for the purpose of completing the adoptions and citizenship in
34 America and whose US citizenship process was, for various reasons, not
35 completed.
- 36 • who entered the United States on nonimmigrant visas, following adoption by a
37 US citizen or in order to be adopted in the United States by a US citizen; and

38
39 **WHEREAS**, federal government representatives and adoption agencies did not consistently
40 provide intended parents with accurate or any pre-and post- adoption assistance and
41 information to ensure all children adopted internationally by US citizen parents received
42 their US citizenship; and

- the total number of children adopted by U.S. citizens living without the protection of U.S. citizenship will increase to a new estimated total of 32,000 to 64,000 adoptees between 2015 and 2033;
- the number of children brought to Connecticut between the 1999 and 2016 totals 4,623; and an estimated 28.9% are vulnerable due to entrance on certain visas¹; and

THEREFORE, BE IT RESOLVED that we the delegates to the Special Meeting of the CT Conference of the United Church of Christ enter into a dialogue and discussion with each other and our federal legislators about the citizenship rights of all foreign-born individuals adopted by US citizens in their land of origin and to adoptees brought to United States by their intended US citizen adoptive parents to finalize their adoptions here; and

BE IT FINALLY RESOLVED that we the delegates to the Special Meeting of the CT Conference of the United Church of Christ work with our federal legislators to propose and sponsor legislation in the United States Congress to grant United States citizenship to foreign-born adoptees who were not covered by the Child Citizenship Act of 2000.¹
