

Living Waters Nomination Form

Guidelines:

The “Living Waters Award” is presented each year at the Annual Meeting of the Connecticut Conference to a United Church of Christ member or members who are models of laity seeking to live out their faith in every place they work and live.

Those who are honored by this award will be persons who, in their workplaces and in their communities, work for justice, live ethically, build community, and promote the common good. This award is *not* given for service within the church, but rather for Christian ministry, life, and witness that is done *outside* the church as an expression of one’s faith.

Please be specific as you fill out this form. What has this person done in his/her place of work and in the community that demonstrates a commitment to living out Christian faith in every arena of life, every day of the week?

Nomination:

I am/we are nominating the following person for the Living Waters Lay Ministry Award:

Name:

Address (please include zip code):

Telephone:
