RESOLUTION: THE LETTUCE BOYCOTT

WHEREAS the gospel of Jesus Christ lays upon each Christian and each Christian church a concern for the dignity and wellbeing of each member of our society, calling us to responsible participation in the social order,

BE IT RESOLVED that the Connecticut Conference of the United Church of Christ affirm its concern for the well being of farm workers;

BE IT FURIHER RESOLVED that church members and the local churches be urged to study every aspect of agricultural employment so that they may make an intelligent decision as to where they wish to place their individual and corporate support, and

BE IT FURTHER RESOLVED that appropriate departments and personnel of the Conference be directed to provide the information and material to make such study possible.
