RESOLUTION: HOSPICE

WHEREAS, We believe the value of life to be one of our most blessed gifts from God, and the preservation of that value to be of vital importance to ourselves and to God; and

WHEREAS, The goal of Hospice, Inc. is to provide extensive and vital care needed to preserve, strengthen and maintain the precious value of life for those Connecticut families dealing with terminal illnesses;

THEREFORE BE IT RESOLVED that the Connecticut Conference of the United Church of Christ commend and support the programs of Hospice, Inc. and its building program; and

BE IT FURTHER RESOLVED that, though State and Federal funding may now have made the construction of the Branford in-patient facility possible, we urge our member churches to involve themselves through financial contributions, investment of endowment funds, personal support, as well as investigating possibilities for personal volunteer services.
